

**Illinois Department of Corrections
Advisory Board**

**Women's Issues Subcommittee Meeting
July 23, 2012**

Introduction and Roll call taken.

Approval of minutes from April 30 2012 Meeting. Motions to accept minutes and motion carried.

Dwight Closure was presented by Joni Stahlman. The female offenders currently housed at Dwight and Lincoln Correctional Centers will be transferred to Logan Correctional Center (approx. 2000 women). Dwight CC will close and Lincoln CC will be converted to an all male facility.

Logan Correctional Center will be a multi-level female facility, housing all security level classifications with special population's i.e segregation, protective custody, infirmed, mental health, ADA accommodations. To accommodate some of the special populations a few of the housing units have been renovated. The x-house has been renovated to accommodate a receiving and classification unit, and the segregation unit. Housing Unit 14 has been renovated to address the needs of the women requiring mental health treatment. The population will be approximately 2000 women.

The agenda for the MGT/SMGT was the same as for the male offenders.

Open discussion and then motion to adjourn meeting. Motion granted.

Tour of Logan C.C. to follow.
