## How to Apply for Non-Uniformed Positions

Thank you for your interest in joining the IDOC team! All State of Illinois positions are posted online at <https://illinois.jobs2web.com/>

*Note – if you are a current State employee you must apply internally using the career portal for State of Illinois employees.*

On this site you can set up a profile and upload your resume, which will be stored, eliminating the need to re-upload for each application. You can also set up personalized searches by county, job title, agency, or a combination of options. You can also save open positions you may be interested in and can set up alerts to let you know when there are new postings that meet your criteria.

Read each position you are interested in carefully and click 'Apply' once you are ready. From here you will be able to upload any additional documentation needed and will be asked questions based on the position you are applying to. Be sure to answer all questions thoroughly and save you progress occasionally to ensure your answers are not lost.

Once you have completed the application and submitted, you will receive an e-mail confirming receipt. If you need to update your application, you can do so using the link until the closing date of the posting. You can apply for as many positions as you like and are qualified to fill.
