Dear Sheriff Jones and County Clerk Greg Woolard:

A copy of our recent inspection report of the Franklin County Jail is enclosed. The *Illinois Compiled Statutes [730ILCS5/3-15-2(b)]* mandates the Illinois Department of Corrections to inspect each county jail annually and to make the results available for public review. Your offices should make this inspection report available for public review in the records of Franklin County and you are encouraged to give notice to the citizens of your county, by news release or other means, that this report is available for the public's review.

Specialist Fritschle noted numerous improvements throughout the jail during the inspection. Building repairs and additional cameras will benefit the safety and security of the jail.
It was also noted that the jail was overcrowded on the day of inspection and has often been over capacity in recent months. Specialist Fritschle noted there had been discussion of plans for an addition to the jail to alleviate the overcrowding. This would greatly benefit the operation of the Franklin County Jail.

The Jail and Detention Standards Unit staff is available for consultation should you desire. Please call (217) 558-2200, extension 5011.

Sincerely,

Mike Funk, Manager
Jail and Detention Standards Unit
