Dear Sheriff Bareis and County Clerk Gross:

A copy of our recent inspection report of the Perry County Jail is enclosed. The *Illinois Compiled Statutes [730ILCS5/3-15-2(b)]* mandates the Illinois Department of Corrections to inspect each county jail annually and to make the results available for public review. Your offices should make this inspection report available for public review in the records of Perry County and you are encouraged to give notice to the citizens of your county, by news release or other means, that this report is available for the public's review.

Specialist Fritschle did note improvements in the jail. Kiosks have been placed in detainee living areas allowing for video visits, which reduces detainee movement throughout the jail. The kiosks also have Law Library documents available for detainees.

Overcrowding continues to be an issue at the Perry County Jail. Jail leaders and county officials are encouraged to determine ways to reduce detainee numbers or expand detainee housing to ensure compliance regarding housing.

The Office of Jail and Detention Standards staff is available for consultation should you desire. Please call (217) 558-2200, extension 4212.

Sincerely,

Edwin R. "Bob" Bowen, Manager
Jail and Detention Standards Unit
