Old Business:

- Agenda will start to be sent out for next meeting

New Business:

- SOMB Audit findings run from 1/25/2024 to 6/30/2026, we shouldn't have findings again since all sets are filled, currently no vacancies
- Training:
 - SOMB is required to provide training twice a year.
 - Would like to have the Static-Stable and S.O. Registry training along with SAPROF-SO and PROFESOR (12-25 age) done.
 - Static-Stable training would possibly be virtual training, hoping for end of Summer early August
 - IL ATSA could possibly sponsor, Tracy will work on the CEUs,
 - S.O. Registry could possibly use the Auditorium at Concordia, Scott advised to use the 3 hours for training so there is enough time to go over everything and have Q & A at end.
 - Will move forward gathering information for times, dates, trainers, speakers and cost if everyone agrees with Training Seminars
 - Motion approved
