#### **D. Training Topics**

Alyssa Schafer sent an email to everyone with three links to various topics for upcoming 2017 trainings.

Robert Hugh Farley – Mike Anton offered to contact Mr. Farley to ask about his availability to conduct a full day training on the following topics each to last a half day:  
Investigating Technology Facilitated Crimes Against Children and Current Trends in Child Sexual Abuse Investigations – Multi-Disciplinary “team” Child Sex Abuse Investigative Techniques.

Katherine Kaufka Walts – Alyssa Schafer was put in contact with this speaker through Lisa Jacobs. Her predominant focus is on Human Rights and Human Trafficking. Alyssa will contact to see her availability to conduct a training for the board.

Lisa Jacobs and Alyssa Schafer have been communicating regarding various trainings. Ms. Jacobs forwarded an idea regarding a cross disciplinary “safety planning” training.

Board members indicated interest in each topic.

Dr. Tinwalla discussed the idea of the board doing a multi-disciplinary training as well. The training committee will be asked to meet to determine the content and dates for this training.
