DATE: 7/24/25

TO: All Individuals in Custody

FROM: Director Latoya Hughes

SUBJECT: Update on Transition of Comprehensive Healthcare Services Provider

On June 23, 2025, the Illinois Department of Corrections (IDOC) issued a memo regarding the transition of vendor for comprehensive healthcare services from Wexford Health Sources, Inc. (Wexford) to Centurion Health (Centurion). This change will take effect at the end of Wexford's current contract, **on July 30, 2025**.

In the coming days, Centurion will have an increased presence in our facilities to ensure a smooth transition. We are working closely with Centurion's leadership and implementation teams to coordinate this process and minimize disruptions. IDOC's Transition Oversight Committee will continue to monitor implementation efforts and ensure adherence to best practices and evidence-based protocols across all facilities.

We understand that this change may create uncertainties and questions; however, our priority is to ensure a smooth and efficient transition that upholds the delivery of high-quality medical, mental health, pharmaceutical, and dental services to those in our care. Your cooperation and understanding during this transition are greatly appreciated.
