¹ Recidivism rate indicates the percentage of inmates who return to IDOC within three years after release. The data represent those released from IDOC in FY2011, FY2012, and FY2013. ² Collar Counties (5): DuPage, Kane, Lake, McHenry & Will

³ Unclassified - Sexually Dangerous Persons

Unclassified - Sexually Dangerous Persons

⁴ Sex offenders are defined as inmates having registered as a sex offender and murderer against youth or as having a sex offense on the sentencing order (excluding prostitution).

⁵Sentence length does not include sentence extentions or any additional sentencing factors that extend beyond the single offense class

 $^{\star\star}\text{End}$ of FY population is population on the last day of the Fiscal Year, June 30th.

***In December, 2015 IDOC initiated a major IT transition moving from a DOS-based offender tracking system to a modern, web-based tracking system. During the transition, some traditional population counts and other measures were not collected. Therefore, December 2015 data counts are estimates and subject to change. Moving forward, the Department continues to validate certain data measures and all elements are subject to change as more information becomes available.
