¹ Recidivism rate indicates the percentage of individuals who return to IDOC within three years after release. The data represent those individuals released from IDOC in FY2017, FY2018, and FY2019. Gate violators indicate individuals who fail to release due to the inability to identify an approvable host site per statute. ² Holding indicates the current offense the individual is serving time on, the offense is not necessarily the individuals most serious offense. ³ For the purpose of this fact sheet, "Sex" is the gender recorded in the tracking system of record at the individuals admission to IDOC custody. "Sex" does not determine an individual's location. ⁴ Sentencing County: County from which an individual was convicted and sentenced. It will not always be the county in which the crime occurred. Collar Counties (5): DuPage, Kane, Lake, McHenry and Will. Downstate Counties (96): Illinois counties other than Cook County and collar counties. ⁵ Admission to IDOC during each calendar year (January 1 - December 31). CY19 Admission History has been updated/corrected and will differ from the older versions of the CY19 Admission History on previous versions of Fact Sheets. ⁶ Court admission is defined as an adult admitted from criminal court who was not on MSR or parole at the time the offense occurred. ⁷ A new offense violation is defined as an adult readmitted from criminal court for a felony committed while on MSR or parole. ⁸ A technical violation is defined as an adult on MSR or parole readmitted because of an MSR or parole rule violation. ⁹ Other is defined as an adult who is admitted to IDOC from another custody or who has been returned to custody without having been sentenced. ¹⁰ Sex offender registrants are defined as individuals required to register as a sex offender for having a sex offense or a murderer/violence against youth offense on the sentencing order; excluding prostitution. ¹¹ Murderers are individuals that have a murder offense on any active mittimus, holding or non-holding. ¹² Turnarounds are individuals that were in reception 48 hours or less before being released to MSR, parole, or other custody.

* End of CY population is the population on the last day of the Calendar Year, December 31st.
