Note: In December, 2015 IDOC initiated a major IT transition, moving from a DOS-based offender tracking system to a modern, web-based tracking system. During the transition, some traditional measures will contain missing values due to a combination of factors, which include quality control issues with data entry and missing data for fields that are no longer required within the system. In addition, basic coding and program logic is still being reviewed and corrected. Moving forward, the Department continues to validate certain data measures and all elements are subject to change as more information becomes available. Contact the Planning & Research Unit with any questions.

¹ Uncelled refers to when a person has been brought into a facility, but not assigned to a cell when the Offender 360 Housing Report was run.

Note: Data entry delay may cause some discrepancy with other counts. ATC's electronic detention, and federal/other state custody are not included on this table.

Note: Elgin Treatment Center opened on April 2, 2018 and was replaced by Joliet Inpatient Treatment Center on June 16, 2022. Murphysboro Life Skills Reentry Center (LSRC) opened on April 16, 2018.

Note: Work camps, IIP's, and R&C's are combined with their parent facilities.

Note: In December 2015 IDOC initiated a major IT transition moving from a DOS-based offender tracking system to a modern, web-based tracking system. During the transition, some traditional population counts and other measures were not collected or needed validation. Therefore, the OERHP105 Resident Housing Report from December 2015 to current is still under the validation process; data counts are estimates and subject to change. Contact the Planning & Research Unit with any questions.
