¹ Recidivism rate indicates the percentage of individuals who return to IDOC within three years after release. The data represent those individuals released from IDOC in FY2017, FY2018, and FY2019. Gate violators indicate individuals

who fail to release due to the inability to identify an approvable host site per statute. The recidivism rate will be updated when programming issues are resolved.

² "Holding" indicates the current offense the individual is serving time on, the offense is not necessarily the individuals most serious offense.

³ For the purpose of this fact sheet, "Sex" is the gender recorded in the tracking system of record at the individuals admission to IDOC custody. "Sex" does not determine an individual's location.

⁴ Sentencing County: County from which offender was convicted and sentenced. It will not always be the county in which the crime occurred.

Collar Counties (5): DuPage, Kane, Lake, McHenry and Will. Downstate Counties (96): Illinois counties other than Cook County and collar counties.

⁵ Sex offender registrants are defined as individuals required to register under guidelines determined by statute, excludes prostitution.
