Financial Impact Statement

The Illinois Department of Corrections hereby submits to the Clerk of the Circuit Court a Financial Impact Statement based on Fiscal Year 2020 data.

Chapter 730 ILCS 5/3-2-9:

Annual cost of incarcerating an individual in a Department facility during Fiscal Year 2020 was \$34,362.

The cost of incarceration for an individual placed in the Department's custody is calculated by taking the total annual expenditures of the Department's facilities and then dividing that number by the Department's average daily population throughout the fiscal year.

Chapter 730 ILCS 5/5-4-1:

In sentencing an individual, the court shall consider, among other factors, the financial impact of incarceration based on the financial impact statement filed with the Clerk of the Circuit Court by the Department of Corrections.
