***The highest m	

^{***}The highest male inmate population was 46,586 on November 20, 2012.

- ¹ Recidivism rate indicates the percentage of inmates who return to IDOC within three years after release. The data represent those inmates released from IDOC in FY2013, FY2014, and FY2015.
- ² Sentencing County: County from which inmate was convicted and sentenced, and where court documents were obtained. It will not always be the county in which the crime occurred.
- Collar Counties (5): DuPage, Kane, Lake, McHenry and Will. Downstate Counties (96): Illinois counties other than Cook County and collar counties.
- ³ Admission to IDOC during each fiscal year (July 1 June 30).

38,523 100.0%

- ⁴ Court admission is defined as an adult admitted from criminal court who is not
- on MSR or parole.
- ⁵ A new offense violation is defined as an adult readmitted from criminal court for a felony committed while on MSR or parole.
- ⁶ A technical violation is defined as an adult on MSR or parole readmitted because of an MSR or parole rule violation.
- 7 Other is defined as an adult who is admitted to IDOC from another custody or who
- has been returned to custody without having been sentenced.
- ⁸ Sex offenders are defined as inmates having registered as a sex offender and murderer against youth or as having a sex offense on the sentencing order; excluding prostitution.
- * End of FY population is the population on the last day of the Fiscal Year, June 30th.

End of it population to be populated an agior IT transition, moving from a DOS-based offender tracking system to a modern, web-based tracking system. During the transition, moving from a DOS-based offender tracking system to a modern, web-based tracking system. During the transition, moving from a Bos-based offender tracking antis and sub-based tracking system. During the transition, moving from a Bos-based offender tracking and rong and populate due to the system. In addition, basic coding and program logic is still being reviewed and corrected. Moving forward, the Department continues to validate certain data measures and al elements are subject to change as more information becomes available. Contact the Planning & Research Unit with any questions.
