ILLINOIS DEPARTMENT OF CORRECTIONS

Restrictive Housing Data Publication and Verification Act Annual Report

July 1, 2026

JB Pritzker
Governor

Latoya Hughes
Director

In accordance with the Unified Code of Corrections, Director Latoya Hughes respectfully submits the following data regarding the Restrictive Housing Data Publication and Verification Act enacted on March 21, 2025.

June, July, and August figures are a representation of individuals in restrictive housing for those months per Public Act 103-1074 effective March 21, 2025. Please note, computer programming does not allow the capture of all data in the manner the law intends. More data will be available once computer programming has been completed.

Public Act 103-1074

Section 5. Data publication.

(b) Quarterly reports. Beginning on July 1, 2025, the Department of Corrections shall post quarterly reports on the use of restrictive housing on the Department's official website. Those reports shall include:

(1) data, both aggregated and disaggregated by facility, regarding individuals placed in restrictive housing during the prior quarter by age, sex, gender identity, ethnicity, whether the individuals were designated Serious Mental Illness (SMI) at the time of the conduct that led to their placement in restrictive HB4828 Enrolled LRB103 37993 RLC 68125 b Public Act 103-1074 housing, the type of confinement status, and both the total length and the length for the prior 12 months that the person spent and was sentenced to restrictive housing.[1] Such data shall also include the charge or charges that resulted in restrictive housing and a description of the activity that formed the basis of the charge;

(2) the population of each restrictive housing unit on the last day of each quarter and a non-duplicative cumulative count of persons confined to restrictive housing for the previous 12 months;

(3) the conduct that led to their placement in restrictive housing and incidences of emergency confinement, self-harm, suicide, and assault in any restrictive housing unit;

(4) the number of facility wide lockdowns at each facility for the prior quarter and an explanation of the reason for each such lockdown;

(5) data on access to health care, including the amount of time it takes for a person in restrictive housing to see a physician after requesting to see a physician, how many times a person sees a nurse or other medical staff before seeing the physician, whether it is a medical emergency, and the time between routine medical and physical checkups;[2]

(6) the number of grievances filed appealing placement in restrictive housing, disaggregated by race, gender, HB4828 Enrolled LRB103 37993 RLC 68125 b Public Act 103-1074 age, and reason for placement; and

(7) the number of alternative programs to restrictive housing available by facility, the frequency of their use, and their attendance by committed persons, disaggregated by race, gender, age, and reason for placement, utilized in response, or as an alternative to, restrictive housing. These reports shall not include personally identifiable information regarding any committed person.

(c) Annual reports. Beginning on July 1, 2025, the Department of Corrections shall compile an annual report summarizing the data collected under this Section and shall submit the annual report to the Governor and the General Assembly, and shall make the annual report available to the public. This report shall be made available on the Department of Corrections website, beginning July 1, 2025.

[1]Length of RH assignment for the prior 12 months, charges that resulted in RH assignment, and activity that formed the basis of the charge are unavailable in the tracking system of record at this time pending enhanced programming efforts. These elements will be included once programming support is provided.

[2]Data on access to healthcare is unavailable in the tracking system of record at this time pending establishment of the Electronic Health Records database. The required elements will be included when available.

July 1st Restrictive Housing Annual Report reflects June 2025 - May 2026 data.
All data in this report is recorded under the parent facility.

[1] Current IDOC Status reelects the time the data was pulled, not the time of the placement.

[2] A blank 'termination date' indicates the individual was still in the placement on the last day of the reporting period.

[3] 'Days in Assignment' that are 1 indicate the individual was in that placement for 24 hours or less or still in the placement on the last day of the reporting period.

[4] Age is the persons age at the time the data was pulled, not the time of the placement.

[5] Gender Identity is defined as the following: F- Those individuals who were male gender assigned at birth but who are now identifying as female. M- Those individuals who were female gender assigned at birth but who are now identifying as male. Gender Identity is under review for revision and updates. Staff are actively working to ensure the accuracy and reliability of this requirement.

[6] SMI status at the time of the conduct that led to their placement in RH is unavailable in the tracking system of record at this time pending enhanced programming efforts. SMI status provided reflects the status at the time the data was pulled for this report.

Note: On 3/21/2025 per Public Act 103-1074 the Department was required to report variables that had not historically been collected within the tracking system of record for this purpose. Numbers within this table have been reviewed and updated. The implementation and collection of this data is evolving, and numbers reported are subject to change as future programming becomes available.

[1] Manual Collection of grievance data did not start until August 1, 2025.

Note: On 3/21/2025 per Public Act 103-1074 the Department was required to report variables that had not historically been collected within the tracking system of record for this purpose. Numbers within this table have been reviewed and updated. The implementation and collection of this data is evolving, and numbers reported are subject to change as future programming becomes available.
